Subject: THY KINGDOM COME AND THY WILL BE DONE

Dear Praying Friends and Partners,

Matthew 6:10 states, "Thy Kingdom come, thy will be done in earth, as it is in heaven."

Can we use a microscope to explore the realm of God's kingdom? Or can we, in any way, force the will of God to be done in our lives without humbly seeking His guidance for daily living? The coming of God's Kingdom is beyond our comprehension. We continue to proclaim the imminent Kingdom of God in Tanzania, and we pray this newsletter brings you joy as you read it and join us in prayer.

#### Ministry Outreach

*I commend into you Phobe our sister, which is a servant of the church which is in at Cencrea: That ye receive her in the Lord, as becometh saints, and that ye assist her in whatsoever business she hath need of you: for she hath been soccorer of many, and of myself also.*

We express sincere appreciation and gratitude based on this verse, as we have witnessed your encouragement and support for our ministry.

Through your prayers and financial contributions, you have been a source of help to many Deaf souls in Tanzania. We continue to preach the Gospel in unreached areas where hundreds of Deaf souls seek salvation. We continue establishing churches for both Deaf and hearing people.

Pastor Robert Boyd and Brother Cliff from Greater Portland Baptist Church in Oregon visited us in Tanzania last July for a two-week mission trip. It was a mission of revival where the Lord touched the hearts of lost Deaf souls who accepted Jesus Christ as Savior and were baptized. We have witnessed the hand of God working through this mission trip to further the Gospel work in Tanzania and reach forgotten Deaf souls in Africa.

## The Need for the Bible Institute Project

Pastor Boyd and Brother Cliff provided significant encouragement, including the donation of 5 laptops for ministry work and funds from Greater Portland Baptist Church to initiate the construction of a Bible institute in Dodoma. The

project is underway, and we are currently working on securing a company to drill a well for water at the project site. Your continued prayers are essential, as this is a substantial project that requires additional funds to complete. The need for Bible training is significant, and we ask for your prayers and consideration for financial support towards the Bible Institute project. Please mark your donation as for the Bible Institute Project – Tanzania.

We saw the fulfillment of the above verses through their mission trip to Tanzania. Pastor Boyd accomplished a wonderful work in the Gospel and baptized newly converted Deaf souls. The need is indeed great here, and we request your prayers as we continue to proclaim His coming kingdom.

We wish you a Merry Christmas and a Happy New Year celebration. Please remember us in your prayers as we continue to share the mes-

sage of the Christ of Christmas, born for the redemption of mankind. Christ is a wonderful gift bestowed upon us. Many of you may be excited about finding gifts for loved ones but remember that Christ is the beautiful gift for your heart and eternal life. You may send your gift to Jesus Christ through your support of missions. We will continue to serve Him in the coming year 2024. We need your support in both prayer and involvement in the gospel work for world mission. May we encourage you to plan your calendar for a mission trip in 2024 to Tanzania. Come

and witness the incredible work happening here!
