SUBJECT: Please Help Me To Serve Christ

Dear Praying Friends & Supporters,

Greetings in the name of our Lord Jesus Christ, my heart is delighted in the Lord carrying the salvation gospel of our Lord Jesus Christ into the world where millions of people are sick from sin, and are in need of the physician, Jesus Christ. Mark 2:17 *"When Jesus heard it, he saith unto them, They that are whole have no need of the physician, but they that are sick: I came not to call the righteous, but sinners to repentance."*

How I delight to report that two (2) deaf persons and one (1) hearing person were saved while on my deputation. Permit me to summarize the history of their background and how the power of the Holy Ghost used me to lead them to Christ: Mr. Burhan Salum is a Tanzanian, he was a Muslim in faith who contacted me via Facebook that he wants to confess his sin but he did not know how to confess. I wrote to him a clear way to salvation in response to his request for confession along with scripture verses. And, he was persuaded by the Holy Spirit to understand my explanation. He confessed to Jesus Christ and accepted Him as Savior! Mr. Julius Mutabazi, a Ugandan young man living in Pennsylvania whom I witnessed about Jesus Christ via oovoo online video chat. He was baptized in Uganda and attending church regularly. However, when I came across to ask him a question, are you born again? And he responded that he does not know what is being born again and asked me to explain. I took my Bible to lead him to salvation, and he accepted Christ as Savior and Lord! Ms. Veronica, an 11 years old young girl whom I met with in New York City on Memorial Day. I asked her why do people die. Because of bad things, she replied, and then I said well, would you like me to tell you something that has caused death? Yes, she replied. I took her to a quiet place to tell her about sin and the love of Jesus Christ. She confessed her sin and accepted Christ. Praise the Lord for these souls who have joined God's family! Please pray for them to grow spiritually.

I am in emergency to depart United States, please pray as I appeal for help...

I was on deputation raising needed support before going to the mission field. I raised 28% of support level which is very low and I need to continue deputation; unfortunately I recently received a notice letter from the immigration department that they have denied my application for a visa. So I have to comply with U.S immigration law by leaving the country within 30 days. My mission board will resume the process to fill the application for a permanent visa on my behalf; they will send me information in

Tanzania. I am departing the USA due to the above circumstances. I have not raised enough support through deputation, so please pray for me that God will provide me the needs as I am going to the mission field in Tanzania with insufficient missionary support. Also, pray that God will give me money for a flight ticket.

Thank you for your prayer and support.

Sincerely in Christ,

Frank Laurent
