APPRECIATION

- We at Bethel Baptist Deaf Church of Tanzania and through the Bethel Deaf Ministries would like to express our deepest appreciation to our prayer partners and supporters for bringing changes to many deaf lives and their community spiritually and physically through the dedicated support you have extended in 2021. Your support has given the Deaf access to the Word of God and won their lost souls to Jesus Christ. We have built churches and are reaching new areas through your support. This is to the glory of God. Thank you so much for being our partner and may we continue to develop this partnership for the advancement of the gospel to the marginalized community and investing in souls. I will pray that this report will bless your heart to see what God has done through your support.

CHURCH BUILDING PROJECT IN RUVUMA

We give the glory to God that the church building project in Ruvuma has been completed in full. The project included building walls, roof, plastering, floors, and installation of electricity. Currently the building is being painted. Praise the Lord! See picture of the New Deaf Church building below.

The deaf leader in Ruvuma Bro. Samwel Mahena in black clothes is extending his gratitude on behalf of church members for your support through prayers and love offerings. The new building is ready to use for worship and as a church office.

NEW DEAF CHURCH BUILDING PROJECT IN SINGIDA

THE CONSTRUCTION WORK IS IN PROGRESS.

The project in Singida has just started with the collection of building materials. The truck is delivering the sand to produce 5000 building bricks. Please pray for this project and for God to supply the need. Should He speak into your heart to send a Christmas gift for this project, then please send your donation to BIO.

Production of 5000 bricks is in progress. The bricks will be used to build the wall for the Deaf church building in Singida. Please continue to pray for this dedicated project of building Deaf Churches in Tanzania for the glory of God.

A new Deaf Church branch has been planted in Arusha, a Northern part of Tanzania. Your donation has been invested in souls who have accepted Jesus Christ in Arusha as you can see in the picture below. Praise the Lord!
